**GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS**

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of November 1, 2007, is made by NETWORK GENERAL CORPORATION, a Delaware corporation, located at 310 Littleton Road, Westford, Massachusetts 01886 (the "Grantor"), in favor of WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association, as Collateral Trustee (the "Trustee") for the holders of the Notes (the "Holders") issued pursuant to the Indenture, dated as of November 1, 2007 (as amended, supplemented or otherwise modified from time to time, the "Indenture"), among NetScout Systems, Inc. (the "Company"), the subsidiary guarantors parties thereto, and the Trustee.

WITNESSETH:

WHEREAS, pursuant to the Indenture, the Company intends to issue to the Holders its Senior Secured Floating Rate Notes Due 2012;

WHEREAS, in connection with the Indenture, the Company and certain other subsidiaries of the Company have executed and delivered a Security Agreement, dated as of November 1, 2007, in favor of the Trustee (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Grantor pledged and granted to the Trustee for the benefit of the Trustee and the Holders, a continuing security interest in all Intellectual Property, including all of its rights in the Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to guarantee the obligations of the Company with respect to the Notes and the Indenture, the Grantor agrees, for the benefit of the Trustee and the Holders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Indenture and the Security Agreement.

SECTION 2. Grant of Security Interest. The Grantor hereby pledges and grants a continuing security interest in, and a right of setoff against, and agrees to assign, transfer and convey, upon demand made upon the occurrence and during the continuance of an Event of Default without requiring further action by either party and to be effective upon such demand, all of the Grantor's right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Collateral"), to the Trustee

for the benefit of the Trustee and the Holders to secure payment, performance and observance of the Obligations; provided, however, that notwithstanding any of the other provisions set forth in this Section 2, this Agreement shall not constitute a grant of a security interest in any intent-to-use application at the United States Patent and Trademark Office with respect to any Trademark to the extent an assignment for security purposes would void the same.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Trustee in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Trustee thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Holders and the Trustee with respect to the security interest in the Collateral granted hereby are more fully set forth in the Indenture and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
